BIOGRAPHICAL INFO

Regina was recognized by Best Lawyers in America for 2023 for her work in Mediation. She has been a certified mediator for 11 years and is a member of the National Academy of Distinguished Neutrals. Regina has over 30 years of civil litigation and appellate experience and is a Fellow of the American College of Trial Lawyers. Regina has an AV Peer Rating from Martindale-Hubbell.

Regina's time spent as mediator overseeing hundreds of cases has given her legal work an added scope that has only served to enhance her acumen and effectiveness as a neutral. Regina recognizes the third-party facilitator approach a mediator must take to provide the correct setting conducive for success. This approach has garnered her recognition within the industry and has resulted in a large majority of her disputes reaching a resolution.

In both her litigation and mediation practice, Regina's areas of emphasis are tort, employment, and civil dispute cases. Regina also spent several semesters as an Adjunct Professor at the University of South Carolina School of Law teaching Trial Advocacy and is an active participant in her legal community. She has presented at a number of Continuing Legal Education programs over the years, including a Trial Superstars Program, Recent Developments in Alternative Dispute Resolution, and a trial advocacy program co-sponsored by the South Carolina Bar and the National Institute for Trial Advocacy.
